HENRY COUNTY SCHOOLS, McDonough, GA

7/03 – 08/11

Business & Computer Science Instructor/FBLA Region 13 Advisor

Entrusted to teach and ensure educational success in a business and computer science department of one of the fastest growing school districts in the nation, more than 3,600 employees, over 36,000 students, offering business and technology educational services to students. Additional accountabilities include collaborating with district teachers to develop curriculum, assessing student work, parent teacher conferences, classroom management, mentoring and leading a successful career technical student organization.

- Orchestrated development of school districts first online professional learning course in Blackboard evaluated using Kirkpatrick’s evaluation tool measuring reaction, learning, behavior and results of participants.
- Revitalized a dormant student organization suffering from a lack of leadership for 10 consecutive years to a vibrant student organization that produced 100% growth, 100% improvement in district and state winners in competitive events, 3 FBLA district officers, 2 Governor’s Honors Executive Management Finalists, 3 CNN Leadership Unplugged Finalists, 1 CNN G5 Leadership Finalist, and substantial increase with internal and external constituencies. Efforts included leadership training, mentoring new advisers, and continuous communication and cultural integration. Coordinated Region Leadership Conference for more than 360 participants, judges, administrators and assistants from 2009-2011.
- Instrumental in the development of the Business Education GACE (Georgia Association for the Certification of Educators) test for new business teachers.
- Grew Georgia Elearning course participation from ground up and completion rate as GA Elearning Facilitator.
